

Villas 3 bedroom 2 bathroom with terraze in San Fulgencio

The villas consists of three bedrooms and two bathrooms and one have one floor. This way you dont have to bother with stairs, except when going to the roof terrace.

When you step inside through the main entrance you will see the kitchen, dining room and living area to your left. To the right you have the three bedrooms and two bathrooms. One of the bathrooms being ensuite.

Behind the kitchen you will find a storage room and the staircase to the roof-terrace. The roof terrace is 42m² and half of it is covered. This way you can both enjoy the sunshine and relax in the shade.

It is possible to get a private swimming pool. The villa will be completed 18 months after first payment.

Surrounding area

The Villas are located in the town of San Fulgencio, an international place chosen by citizens mainly throughout Europe to settle permanently. Located 35 minutes from Alicante airport, it is surrounded by small cozy towns. It is located in the beautiful countryside, 15 minutes from El Tosal beach and at the same distance from La Marina Beach. In San Fulgencio you have amazing average temperatures with the cool breezes from the ocean in summer, but protection from the mountains in the winter.
