## Property Inspection trips

If you are considering purchasing a property in the “**Costa Blanca**” region, and would like to view properties with our company we are happy to arrange a no pressure inspection trip for 2 people for 3 days.

The visit will include transfers to and from the **ALICANTE or MURCIA airports**, 2 nights accommodation for 2 people, a local area tour, viewings of your preferred properties and also accompanied visits to lawyers, banks and notary if required. The accommodation will be in apartments or Hotels on one of the local resorts depending on your property requirements.

We tailor each inspection trip to individual requirements and an itinerary will be agreed with you prior to your arrival. We will also give you a full tour of the local areas so hiring a car isn't necessary if you prefer not to incur this additional cost.

If you would like to book an inspection visit, then please contact to arrange the details with [luis@investurismo.com](mailto:luis@investurismo.com) and discuss your property requirements in further detail.
