There are plenty of pharmacies in each city, but always know where is located the closest to you. It's easy to find a pharmacy: look for a green cross.

If you are on holiday in the Costa Blanca, in particular, Campoamor and Cabo Roig, then we go to the pharmacy Dehesa de Campoamor, which is located up the hill, visible from afar, and is in the main roundabout. This pharmacy has a wide variety of medicines, medicinal preparations, hygiene products and baby and children's products, including food. Customers are served by several pharmacists, who speak different languages. On the second floor there is a medical center.
