

New build 2 bedrooms apartments in Torrevieja Center

This private residential complex in the centre of Torrevieja. The complex has a total of 137 homes with two or three bedrooms, with three levels, a ground floor, first floor and a penthouse with a private solarium. It also has a communal swimming pool, large private garden areas for residents to enjoy, as well as underground garages.

These properties are light and bright, thanks to their courtyards, terraces, solariums, and their dual-aspect design. The complex is in the heart of Torrevieja where all the services are available, such as leisure areas, restaurants, supermarkets, clothes shops, etc., and just 700 metres from *El Cura* beach.
