

New build villas 3 bedrooms+3 baths in Punta Prima (Costa Blanca)

Perhaps the most beautiful house of all times. This incredible new build villa in Punta Prima seems to have fallen from the sky. The solarium will steal more than one smile. And your children will love the beautiful pool and the large garden and terrace space.

This luxurious property of 2 floors plus solarium is part of Residencial VI-ITAY-TAPP-LS, an attractive complex of 14 independent villas with a spacious and functional design. Each enjoys its own private plot with swimming pool and garden, a space that friends and family will enjoy all season long as Orihuela Costa has one of the best climates in the world.

The spacious balcony of the bedroom will be the ideal place to sip your first coffee in the morning while watching the tranquillity of the garden and enjoying a new sunrise. The sound of the waterfall by the pool will become one of your favourite melodies to read and sleep to. I doubt very much that there is a house like it in the area with this luminosity, these views and these attractive exteriors.

The dream of anyone looking for a brand new villa on the Costa Blanca.

In this property you will feel the comfort in every space. From this open kitchen to the living room you will be able to control everything. Keep an eye on your children as they enjoy a dip in the pool with their new friends during the summers or even keep up with your guests' conversation while preparing a

delicious aperitif.

If you want to enjoy a modern lifestyle with your family, this property could be a great place to start. It is modern, spacious and the layout is perfect. You will have enough space to live comfortably with your family, choosing between 4 or 3 bedrooms. You can use the spare rooms to create your own dressing room, a games room, an office for teleworking or you may prefer to keep the bedrooms for guests.

Have you chosen this destination because it suits you to be close to the sea? In just a few minutes by car you will be at the best beaches of Orihuela Costa: Cala Piteras, Cala Mosca, Cala Ferris, Playa Punta Prima... Whenever you want to escape from the world, you can do so in these beautiful enclaves of sandy beaches and crystal clear waters. You will love to go barefoot and feel the sweetness of the sea on your feet.

For all these reasons, this villa has a lot of potential to become a relaxing family holiday home or a home in the sun for life.
