

Bungalows 3 bedrooms 3 bathrooms in Daya Nueva

The villas are semi-medium sized Mediterranean style villas built on 2 floors. The complex consists of 7 very bright houses with a very advantageous orientation that lets in natural light.

The ground floor includes a large living room with an open kitchen of more than 40m². You will also find a bedroom with its own bathroom and a courtesy toilet.

Upstairs are the 2 other bedrooms with their own bathrooms. Ask us for the specifications!

About Daya Nueva...

DAYA NUEVA (Alicante) is a small municipality of approximately 2,000 inhabitants located in the southeast of the province, 44 km from Alicante and 196 km from Valencia. You will find quality restaurants where you can taste for example excellentes paellas...

It is located in a privileged enclave, only 12 km from the coast. The coastal towns of [Guardamar del Segura](#) or Marina – El Pinet will allow you to enjoy the fine sandy beaches.

The village is particularly well connected to the capital, the airport, hospitals...
