

Top level apartments near shopping, beach and golf in Orihuela Costa

Top level apartments near shopping, beach and golf.

Newly built apartments, almost key ready, with 2 or 3 bedrooms, spacious terraces and lovely common areas in Villamartin.

The new "AP-ONPF-0A-ER", is a complex composed by a total of 94 modern apartments with spacious terraces and great location close to shopping, beaches and golf courses. The urbanization is almost ready and the estimated delivery date is for the summer of 2023.

Here you can choose your new home between ground floor apartments with garden, middle floor apartments with cozy balconies or penthouses with sunny roof terraces and great views over the Mediterranean coast and the surroundings. All the apartments have an open plan layout between the kitchen and the living room, two spacious bedrooms with fitted wardrobes, one laundry room and two bathrooms, from wich one en-suite with the master bedroom.

The ground floor apartments offer a sunny terrace of 23 sqm and a garden of 30 sqm towards to the communal swimming pool and the garden.

The apartments are delivered with white goods, LED-lighting pack, floor heating and shower screens in bathrooms, installed A/C by ducts, installed smart home system Legrand, athermic system for hot water, motorized blinds and private parking space.

Also, "AP-ONPF-0A-ER" will offer a big common swimming pool,

green areas, sauna, playground and bio gym.

In the surroundings there is a wide selection of nice restaurants, shops and coffee-shops. Within a short drive you can reach the biggest shopping center in the area La Zenia Boulevard, several golf courses or the best beaches that Orihuela Costa offers.
