

Villa in Villamartín (Alicante) Ref. ITCW484239

Modern detached villa with 3 bedrooms, 2 bathrooms and unobstructed views in Villamartín:

This modern single-storey villa features 3 spacious bedrooms and 2 bathrooms, an open-plan kitchen and a spacious living room that opens onto the garden. The large sliding windows enhance the open feel of the house and provide plenty of light.

High-quality materials are used throughout the house, which are in excellent condition and ensure it is cosy to stay here. Both from the garden and the large roof terrace, one has an unobstructed view of the surroundings and nature stretching out in front of the house.

The villa is south-west oriented so you can always enjoy the bright sunshine.

Does it cool down a bit in the evening? No problem! The private heated pool will still be blissful!

The property is located along a quiet private road and a closed parking space is provided on site.

The villa is fully furnished and ready for you to enjoy under the Spanish sun.
